Pennsylvania State Grant

Students must file the FAFSA for Pennsylvania State Grant consideration.
FAFSA Deadline for PA State Grant: May 1, 2008

Other Sources of Aid

Students who complete both the Duquesne Financial Aid application and the FAFSA will be considered for all forms of Federal, State, and University need-based aid opportunities including scholarships, grants, loans, and work-study. A Financial Aid Award Letter will be mailed to students notifying them of their eligibility.

Enrollment Status

Due to limited funding, normally only full-time students will be considered for programs of aid included in this application (minimum 12 credits/term).

Residence While in School

Awards are based on residence status indicated on the FAFSA (or this application if the FAFSA is not filed). You must notify the Financial Aid Office of any change in residence status. Dependent students indicating off-campus housing may be required to submit copies of leases to verify status.

Outside Awards

Receipt of outside awards could affect your eligibility for programs of aid awarded by the Financial Aid Office. Therefore, if you anticipate receipt of any outside funds, please indicate these sources in the space provided on the reverse. This will enable the Financial Aid Office to include these awards in your initial package and prevent later adjustments.

Stafford Loans

First-time Stafford Loan borrowers are required to complete Entrance Loan Counseling and a Stafford Loan Master Promissory Note (MPN) before loan funds will be released. New borrowers can complete the Entrance Loan Counseling and the MPN at www.aessuccess.org beginning June 1.

Perkins, Nursing, and Health Professions Loans

Eligible students will be offered Perkins, Nursing, or Health Professions Loans. Need is a primary factor; repayment begins after discontinuance of at least half-time enrollment; interest rates vary. Promissory notes must be signed by the second week of classes each semester or loan will be cancelled. First-time borrowers are required to complete Entrance Loan Counseling at www.financialaid.duq.edu/perkins.html before loan funds will be released.

Merit and Need-Based Awards

If you are awarded any of the following awards in 2008-2009 they will be renewed in future years provided you submit the Duquesne Financial Aid application and meet the cumulative GPA requirements listed below (as well as any other specific requirements, such as continued enrollment in a particular program). Students must be enrolled full-time.

2.50 D.U. Academic Scholarship	2.50 Laval Scholarship	2.00 Duquesne Grant
2.50 Chancellor's Scholarship		

Catholic High School Graduate Discount: must continue to be enrolled full-time; no FAFSA required.
