- FAFSA Deadline for PA State Grant: **May 1, 2007**

### **Other Sources of Aid**

Students who complete both the Duquesne Financial Aid application and the FAFSA will be considered for all forms of Federal, State, and University need-based aid opportunities including scholarships, grants, loans, and work-study. A Financial Aid Award Letter will be mailed to students notifying them of their eligibility.

### **Enrollment Status**

Due to limited funding, normally only full-time students will be considered for programs of aid included in this application (minimum 12 credits/term).

### **Residence while in school**

Awards are based on residence status indicated on the FAFSA (or this application if the FAFSA is not filed). You must notify the Financial Aid Office of any change in residence status. Dependent students indicating Off-Campus housing may be required to submit copies of leases to verify status.

### **Outside Awards**

Receipt of outside awards could affect your eligibility for programs of aid awarded by the Financial Aid Office. Therefore, if you anticipate receipt of any outside funds, please indicate these sources in the space provided on the reverse. This will enable the Financial Aid Office to include these awards in your initial package and prevent later adjustments.

### **Stafford Loans**
